

3202 668 W 41st Avenue, Vancouver

\$14,988,800

Welcome to the City of the future. Oakridge is Vancouver's new town centre and the most successful project in the city's recent history, achieving over \$1 billion in sales in 2019. Master designer Sergio Castiglia has brought Italian design & aesthetic to each home, creating environments with a beautiful simplicity. This 3 bedroom penthouse Villa offers panoramic south facing views of Mount Baker and the Fraser River. Featuring oak wood flooring, a rooftop pool and unique design details, matte black kitchen cabinetry with a contrasting white kitchen island complement all Miele appliances. Each bedroom includes an ensuite and the master bedroom features a spacious walk-in closet. Valet parking available. For details visit the unwritten pop up at Oakridge Centre.
