This is Quay living at its best! One of the most sought after buildings on the Quay with a great layout and the riverfront exposure everyone wants. Located on the southwest corner, your living room is loaded with natural light in all seasons. Off of the main living area you'll find a nice and sunny patio for taking in the river views and we love that there is a second private balcony off of the master for enjoying a more private river view. You'll find tasteful updates throughout providing a clean move-in ready home or if you feel like taking the updates to another level, this home offers great potential and checks all the boxes.
