

303 37762 Third Avenue, Squamish

\$679,000

Welcome to the LOFTS- a brand new project located in the heart of Squamish. This beautiful new development is located in a quiet part of downtown Squamish and the tip of the Estuary and is close to all trails and amenities. These urban loft apartments have been designed by an award-winning architect and no detail has been missed. This 2 story 2 bedroom unit features tasteful design by Portico Design Group with laminate flooring, stainless appliance package, shaker cabinets and Caesarstone counters as well as offering 2 bathrooms and balcony. These homes also have in suite storage and flex area upstairs perfect for home office, and access to a common roof patio to enjoy the Squamish Chief Views. Visit www.loftsliving.ca for more information!
